E-MAIL BILL REQUEST

Many of our customers have found that the most convenient way to receive their monthly water bill is by **E-MAIL**. Using this method, you will receive your monthly bill by e-mail and no longer will receive a paper bill in the mail. However, you can stop **E-MAIL BILL** at any time, by simply sending a written request to **STOP E-MAIL BILL** or request an **AUTHORIZATION TO STOP E-MAIL BILL** form.
